

A

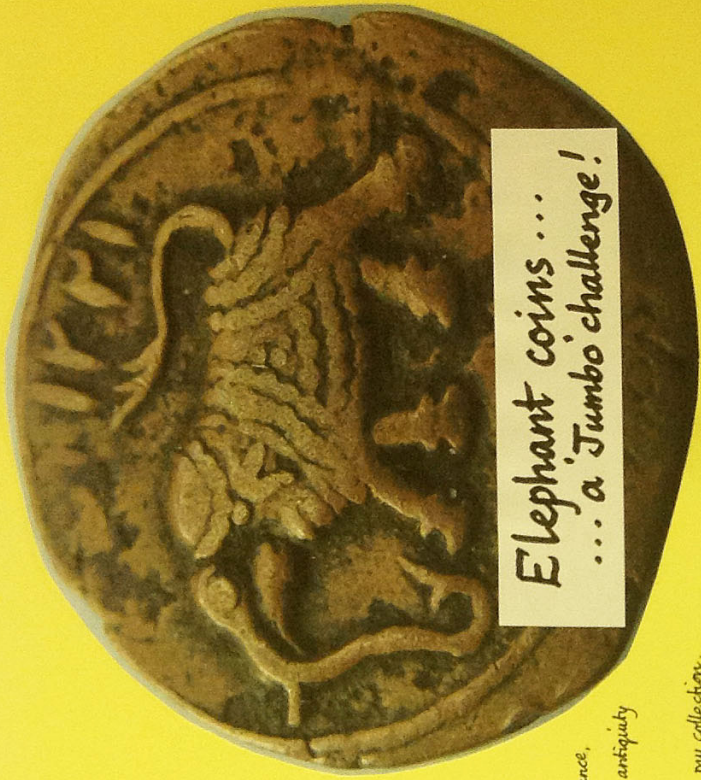

Kushana Kings (of present-day Afghanistan) VIDA KADPHISES. "SOTER MEGAS" symbol on reverse.

AS of ANTONINUS PIUS [TR.P.XIII] "MVNIFICENTIA AVG. COS III S C"

B

The Image of an Elephant, representing strength and endurance, has been popular on coins from antiquity to the present times. Here are a few examples from my collection. Can you list them in order of their production? That is your Jumbo Challenge!

Elephant coins ...
... a 'Jumbo' challenge!

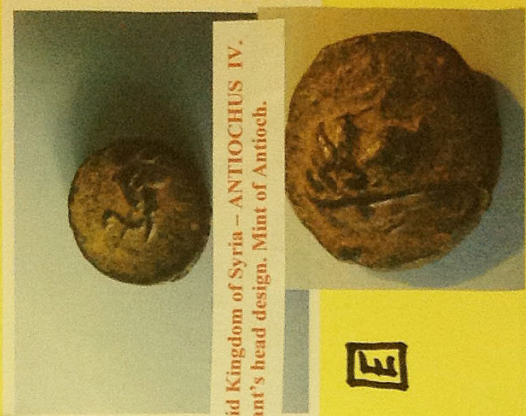

TIPU, Sultan of Mysore, India. (Deposed by the British). Mint name on reverse. Probably Seringapatam.

C

George III, half stiver of Ceylon, dated 1815. Minted in England - this date only - to replace locally-made coinage.

D

Seleucid Kingdom of Syria - ANTIOCHUS IV. Elephant's head design. Mint of Antioch.
